

## Logical Framework Template Aligned with the Nexus Approach

### Logical Framework Template

Section	Description / Details
Project Title	[Insert Project Title Here]
Project Duration	Start Date: [Insert Start Date] End Date: [Insert End Date]
Focal Point Details	[Name of Person/Position/Mobile/Email]
Date of Preparation	[Insert Date]

### Objectives

Level	Details
1. Goal (Overall Objective)	Long-term impact or overarching goal of the project, aligned with the nexus approach. <i>Example:</i> "Enhanced resilience and social cohesion in conflict-affected communities through integrated humanitarian assistance, development cooperation, and peacebuilding efforts."
2. Purpose (Immediate Objective)	The immediate objective or purpose of the project, reflecting contributions to all three pillars of the nexus framework. <i>Example:</i> "Improved food security, livelihood opportunities, and conflict resolution mechanisms for vulnerable populations."

### Output & Activities

Output	Description	Nexus Pillar	Activity ID	Activity Description	Responsible Team
Output 1	Emergency food and shelter provided to conflict-affected households	Humanitarian Assistance	ACT-001	Distribute emergency food and shelter kits	Emergency Response Team
Output 2	Community members trained in sustainable agriculture practices	Development Cooperation	ACT-002	Conduct training sessions on sustainable agriculture	Livelihood Specialist
Output 3	Community dialogue forums conducted to resolve local conflicts	Peacebuilding Efforts	ACT-003	Facilitate community dialogue forums	Peacebuilding Officer
Output 2 (Additional)	Establish savings groups for women and youth	Development Cooperation	ACT-004	Establish savings groups	Community Mobilizers

## Logical Framework Template Aligned with the Nexus Approach

### Indicators

Indicator	Definition	Baseline	Target	Verification Method	Nexus Pillar
% of households receiving food aid	Proportion of targeted households that received emergency food assistance	[Insert Value]	[Insert Target]	Household surveys, distribution records	Humanitarian Assistance
# of participants trained in agriculture	Number of people trained in sustainable farming	[Insert Value]	[Insert Target]	Training attendance records	Development Cooperation
# of dialogue sessions conducted	Number of community forums held	[Insert Value]	[Insert Target]	Event logs, feedback forms	Peacebuilding Efforts
% increase in household savings	Increase in savings among group participants	[Insert Value]	[Insert Target]	Savings records, surveys	Development Cooperation

### Assumptions & Risks

Assumption	Risk	Mitigation Strategy
Security conditions allow safe implementation	Security risks during food distribution	Coordinate with local authorities; use safe points
Community participation in training	Low participation	Awareness campaigns; involve leaders
Dialogue leads to positive outcomes	Conflict escalation	Use neutral facilitators; ensure inclusivity

### Resources Required

Resource Type	Description	Quantity	Cost (USD)	Source	Linked Activity
Financial	Emergency food supplies	[Qty]	[Cost]	Donor Funding	ACT-001
Human	Trainers for agriculture	[Qty]	[Cost]	Partner Org	ACT-002
Material	Flipcharts, markers for dialogues	[Qty]	[Cost]	Local Procurement	ACT-003
Logistics	Transport for food delivery	[Qty]	[Cost]	Local Providers	ACT-001

## Logical Framework Template Aligned with the Nexus Approach

### Monitoring & Evaluation Plan

Indicator	Data Collection	Frequency	Responsible Person	Reporting Mechanism
% of households receiving food aid	Household survey	Quarterly	Emergency Response Team	Indicator Tracking Table
# of participants trained	Attendance records	Quarterly	Livelihood Specialist	Indicator Tracking Table
# of dialogue sessions	Event logs	Quarterly	Peacebuilding Officer	Indicator Tracking Table
% increase in savings	Savings records	Annually	Community Mobilizers	Baseline/Endline Surveys

### Gender and Inclusion Considerations

- Gender-sensitive activities (e.g., women's savings groups)
- Disaggregation of data by sex, age, etc.
- Inclusive participation of groups (disabled, IDPs, Marginalized, HC, Returnees, etc)

### Sustainability & Exit Strategy

- Build local capacity and ownership
- Establish community-led systems (e.g., savings groups)
- Gradually phase out while strengthening local partnerships
